

making business sense

## about cebr

centre for economics and business research ltd is an independent consultancy with a reputation for sound business advice based on thorough and insightful research.

Since 1992, cebr has been at the forefront of business and public interest research. We provide analysis, forecasts and strategic advice to companies of all sizes, financial institutions, government departments and agencies, trade bodies and the European Commission.

cebr is recognised as one of the UK's leading independent commentators on economics and business trends. Our forecasts are used by a diverse audience of business people, policy makers and journalists; even the Treasury publishes our predictions for the UK economy.
