

making business sense

the prospects service

the prospects service is the comprehensive macroeconomic trends, analysis and forecasting advisory service from cebr.

With membership of the prospects service you will:

- be kept up-to-date with the latest economic trends, and how they will affect businesses and the markets
- gain insight into the underlying drivers of change in the national and international markets
- have full access to the detailed global economic predictions of a leading independent forecasting house
- have your own team of economics advisors on-call when you need expert advice on the state of the economy or a knowledgeable sounding-board

For more information on subscribing to the prospects service please [click here](#) or contact:

centre for economics and business research ltd
